1. Snow Farm Vineyard - 49 Miles from BHC

Snow Farm Winery and Vineyard began as a dream in 1992 – to preserve Vermont’s agricultural land in the face of rapid development by providing an alternative for farmers. Our location, on an island in the middle of Lake Champlain permits us to grow cooler climate vinifera grapes, Pinot Noir and Riesling, as well as the more cold hardy French Hybrids, Vidal Blanc and Baco Noir. Thanks to Vermont’s cold winter temperatures, Snow Farm also produces an ice wine, a product that cannot be made in many other places in the world. 190 West Shore Rd South Hero, VT 05486 802.372.9463

2. Hillis' Sugarbush Farm & Vineyard - 41 Miles from BHC

Hillis' Sugarbush Farm & Vineyard was established in 1987.

The main farm is located near Lake Champlain in Colchester, Vermont on Sugarbush Farm Road. A smaller part of the farm (Butler Island Vineyard) is on Butler Island located in the middle of northern Lake Champlain. The two vineyards were added to the farm operation in 2007. The winery received licensing in early 2009, and released its first wines for sale in early 2010.
