

Basin Harbor

February 19th, 2020

Dear Social Members,

Winter greetings from Basin Harbor! We hope that you are considering membership with us for the upcoming season, and are looking forward to seeing you as the weather warms up and the property comes to life again.

We have some exciting new changes this season, especially in the world of food & beverage. Our new Executive Chef, Chris Bonnavier and Director of Food & Beverage, Brock Gleeson are hard at work putting together some new offerings, of which will include a Basin Harbor food truck at the waterfront, fresh made sushi & bento boxes poolside and at the Ranger Room, and some fun, interactive tastings and demonstrations. We will also be offering a more robust calendar of member events this season.

On the golf side of the operation, we have a new Head Golf Professional, Alexander Socinski, PGA. He is busy re-designing the Golf Shop to include more lifestyle clothing and accessory options, and is hoping to convert some more non-golfers this year!

Your 2020 social membership allows you the following benefits:

- Beach, Pool & Waterfront access all season
- 25% off of your 2020 Golf Membership (applicable to everyone listed as part of your social membership)
- Seasonal members-only events & cocktail parties
- 15% discount on resort dining (food only) at the Red Mill, Ardelia's, North Dock & Ranger Room/Pool
- 15% discount on retail purchases at The Harbor Store, Breezeway Gift Shop and Golf Shop
