**Ardelia's**  
AT BASIN HARBOR

*This season we are taking breakfast service in Ardelia's to a new level. All of our items will be chef and server attended. You will still have the opportunity to select ingredients as you have in buffets of years past, but instead of self-service the breakfast will be prepared for you from action stations.*

*Our Chef, Chris Bonnavier, believes in a long-lasting partnership of integrity with our local farming community.*
